1. Bulloch County Emergency Management Agency invites residents to a public town hall meeting to learn about the 2026 Bulloch County Hazard Mitigation Plan update. A portion of the meeting is to engage county residents in the planning process, to provide insight into hazard risks and vulnerabilities within the county, how the county and its municipalities plan to mitigate hazards, and to seek your input into the results of the draft plan.

The hazard mitigation plan serves as a roadmap for reducing the community's vulnerability to natural and human-caused hazards.
